

## **LAWYERS FOR HUMAN RIGHTS INTERNATIONAL**

on 10<sup>th</sup> October 2009, which is observed as World Day Against Death Penalty, is starting a campaign for seeking clemency from President Of India to Devender Pal Singh Bhullar, who is at present languishing in Tihar jail, New Delhi, India.....

**KINDLY JOIN THE NOBLE CAMPAIGN TO SECURE HIS RELEASE.**

Devender Pal Singh Bhullar, who was deported from Germany on 19<sup>th</sup> Jan 1995, is languishing in Tihar Jail of Delhi since he was awarded death sentence on 25<sup>th</sup> Aug 2001. His case is a classic example of denial of Justice as he has been convicted just on the basis of his extra judicial confession, allegedly suffered by him under force and threat of the police, while he was in police custody. Even though Bhullar recanted from his so called extra judicial confession, however without any corroborative evidence he was convicted by the TADA court. In the Supreme Court of India, while hearing the appeal, 1 of the 3 judges who were hearing the appeal acquitted him of the charges, while the other 2 upheld the conviction.

There are other human rights violations angles and also his failing health though at his young age of 46 years, which make out a good case for his clemency by the President of India and so an effort is being made to convince the President of India to grant him clemency.

LFHRI has been elected on the steering committee of the International body, WCADP, in its General Assembly held in Rome on 13<sup>th</sup> June 2009 and so since LFHRI now shares the responsibility to campaign for abolishing of Death Penalty in various parts of the world, where Death Penalty is still in force. We on 10<sup>th</sup> October which is observed as World Day Against Death Penalty, are starting a signature campaign in Chandigarh, India, for making a fresh clemency appeal to the President of India for release of Devender Pal Singh Bhullar. An online petition will be launched by his mother on that day.

LFHRI seeks help from International Human Rights bodies and social organizations and likeminded individuals who stand against the Death Penalty to start such signature campaigns throughout the world, in order to give momentum to the Campaign for seeking clemency for Devender Pal Singh Bhullar and similar situated detenus. The petition will be provided by LFHRI in the 1<sup>st</sup> week of Oct 2009, which can be got physically signed by the org and individuals who want to associate with our campaign.
